

# Pharmacy First Service

Your local pharmacy can advise and provide treatment for the following conditions:

**Sinusitis** (age 12+)

**Shingles** (age 18+)

**Impetigo** (age 1+)

**Sore throat** (age 5+)

**Earache** (ages 1 to 17)

**Infected insect bites** (age 1+)

**Urinary tract infections in women**  
(ages 16 to 64)

Visit the pharmacy today to discuss any of the above conditions.

**No appointment required!**
